

Valley Villagers Membership Application

All memberships expire on August 31. Annual dues are \$24.00 per year, per household, due by September 30. Regular Club memberships shall consist of an adult individual and/or significant other of the same household sharing membership. Each additional same household member may be a non-voting non-subsidized member by paying the nominal dues of \$2.00. If joining mid year, new memberships are pro-rated at \$2.00 per month. Please use the dues schedule to calculate your dues. If joining in September, dues are \$24.00 and will be considered as payment for the upcoming year. Sorry, but renewals and new memberships are not processed from November through January 1 because we are too busy playing with our villages to do the paperwork. Membership includes the club newsletter, meetings (except for meals, an occasional fund raiser function or the joint Northern California meeting). Members may list items on the buy-sell-trade list.

Name: _____

Address: _____

City, State, Zip: _____

Phone: _____ E-Mail: _____
